

The Best Just Got Better

Valley® has taken the very best commercial pool table and made it even better. The new mahogany finish looks better and will attract more play in any establishment.

The ZD-8™ is the ultimate in coin operated pool tables.

Pool is the number one earner
in the amusement industry.

The Best Just Got Better!

The ZD-8™ from Valley® has a rich, dark mahogany finish with bright chrome trim designed to look elegant in any setting.

The ZD-8 Features:

Dramatic 45° angled corners and legs

The signature look for Valley's classic pool tables continues with the ZD-8. Each corner is triple-plated, polished and buffed chrome on top of nickle and copper plating.

Down corners and rail caps

Extruded aluminum with bright dipped coating for richer silver color and increased scratch resistance. Down corners feature matching inlaid laminate.

Effortless one-person leveler

Using a standard wrench, one person can level a table in minutes.

Valley Teflon® Ultra™ Cloth

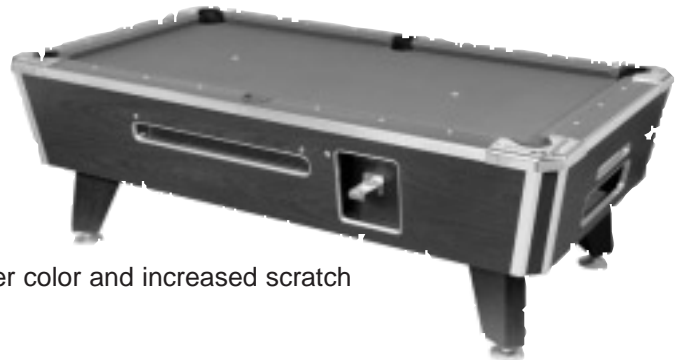

The Teflon fibers interwoven in the precision surface cloth is guaranteed spill resistant and available exclusively on Valley tables.

Dual Density Cushion Rubber

Another dramatic improvement made exclusively for Valley for more accurate deflection, livelier play and longer life.

Other Standard Valley Traditional Quality Features Include:

- One piece ball collector, quieter with no hang ups
- Diamond markers, permanently printed and coated with clear melamine layer
- Solid Quality Imported Slate
- Solid poplar hardwood cushion rails and top rails
- Replacable coin chute housing, breaks away without damaging cabinet, replaces easily
- 3/4" Seven-ply solid-core plywood cabinet
- Adjustable coin slot, factory set to \$1 play
- Quick-change rubber pocket liners, removable with 2 surface-flush screws
- Coin counter on door for improved visibility
- Side-to-side and end-to-end slate support
- Glued and screwed slate filler
- Magnetic Cue Ball separator uses a cue ball the same size and weight as other balls and has no moving parts
